Second Grade Summer Work Packet

Research shows that during the summer, students lose about 1/3 of what they have learned if they do not continue using their acquired knowledge. In an effort to avoid the “Summer Slump” students are encouraged to follow the reading and math summer work. It will count as their first grade in the fall. Copies of summer work and forms can be found on the SJA school website under Second Grade on the Summer Work Tab.

Cursive Writing:
Practice! Practice! Practice! Cursive writing books are being sent home, you may complete them. There is also a cursive writing packet to complete. Cursive writing is the primary way students write in 3rd grade. Practicing will make the transition smoother.

Reading:
Read 10 books and enter them on the Summer Book Log. Choose three of the books you read and write about them using the three book report templates. You can also use the Superkids workbook that we didn’t finish. (Superkids doesn’t need to be turned in)

Online book options:
- Harford County Library
  - Overdrive
  - Cloud Library
  - Hoopla
- International Children's Digital Library
  - Oxford Owl
  - Storyline Online
  - Open Library

Math:
Please complete the packet. My suggestion would be to complete 1 page, front or back, 2 days a week. ABCYA.com is also a great resource to practice math skills and concepts.

Due date:
The summer work packet is due the first day of 3rd grade.
It is counted as your child’s first grade.

Hope you all have a wonderful, relaxing summer!

Hello 3rd Grade

Mrs. Simmons
