

St. Joan of Arc School

August 30, 2023

Dear SJA Families,

What an amazing start to the school year. It was so wonderful to welcome everyone back on Monday.

Thank you all for following our Transportation Procedures for drop off and pick up. This helped to keep everyone safe during those times. Remember, if your student arrives after 8:10am, a parent will need to escort the student to the Law Street Door and bring them to the office.

Teachers and students have been reviewing our Standard Response Protocol Procedures. On Friday, at 9:00am we will be practicing our “Hold” drill. Information about the SRP is attached.

On 9/11, SJA will be commemorating and recognizing our military and first responders with our annual Freedom Walk to Festival Park. Parents who wish to join us to help chaperone the walk need to be up to date with their Virtus Training. Please contact Mrs. Franke pfranke@stjoanarc.org with questions about your Virtus status. Teachers will be posting more information and details this week.

This evening at 6:00pm beginning in the church, we will have our Back to School Night for Grades 1-8. This is for parents only. We look forward to seeing everyone.

Please check that your students are in the proper uniform each day, including socks and shoes.

Reminder school dismisses at 12:05pm on Friday, September 1, and aftercare closes at 4:00pm. Students attending aftercare need to bring their lunch.

God Bless,

Ms. Dianne Kestler
Principal

RaiseRight – formally SCRIPT

RaiseRight is Gift Card Fundraising. When you purchase from RaiseRight, you are purchasing gift cards that are used just like cash. RaiseRight is issued by national and local retailers where many of you already shop. These merchants want to support non-profit organizations. RaiseRight can be used for everyday items like food, clothing, gas and other essentials. Every purchase earns revenue for you and the school.

RaiseRight Fundraising continues all year round. Start earning by logging into RaiseRight with the school code A9C13C7351446 at [RaiseRight.com](https://www.RaiseRight.com). Half of your earnings can be deducted from next year's tuition. Connect to their app and browse available brands and bonuses.

Trex Program

Our school participates in the Trex Program and there are two ways families can help. You can bring in plastic bags (see poster and video) and/or you can volunteer to take plastic to donation sites. (Bringing in plastic bags does not get volunteer hours) We weigh the plastic after it comes to school and then take it to donation sites in the area to be recycled. In the past our school has won planter boxes and wind chimes for the amount of plastic we have recycled. If you are looking for volunteer hours you can sign up to take the bags to one of the donation locations. There are bins outside ShopRite and Weis. Mrs. Simmons can also give you other drop off locations if you are interested. Depending on how many families sign up, it could be a bi-weekly volunteer job and spans the entire school year. The bags are very light to carry but if needed we can help your student carry them to your car at pick up time. Please email Mrs. Simmons (rsimmons@stjoanarc.org) to let her know if you are interested in volunteering. You can earn 1 volunteer hour per drop off trip. Please log your trip in Track it Forward for approval.

School Safety

In our efforts to create a safe and nurturing environment for our students, we continue to look at ways to improve safety and for our students to feel safe on our campus. St. Joan of Arc, along with the other schools throughout the Archdiocese of Baltimore have adopted and will be utilizing the Standard Response Protocol throughout our campus this school year. The administration, teachers and staff have been trained in this protocol and will be teaching this to our students upon their return to school. Attached is information about the SRP and we will share more information on Back to School night.

John Carroll Musical Auditions

John Carroll High School is holding children's auditions for *The Sound of Music*. They are holding auditions for the following roles:

Kurt von Trapp (age 11, falsetto) Gentle and mischievous.

Brigitta von Trapp (age 10) Smart, reads a lot.

Marta von Trapp (age 7) Very sweet and gentle.

Gretl von Trapp (age 5) Must have the cute factor.

Auditions will be held at the John Carroll School Auditorium 703 E. Churchville Rd. Bel Air, MD on **THURSDAY, SEPTEMBER 7, 2023 from 6:30-7:30 p.m.** Any child wishing to audition should arrive wearing comfortable clothes/closed-toed shoes and should be familiar with the song Do-Re-Mi from the show. No other audition preparation is needed.

For any child entering 2nd to 8th grade who loves performing, John Carroll's Musical Theatre Academy may be a perfect extra-curricular option! We are currently registering for our Fall (and Spring) Musical Theatre classes. For those who have participated in the Academy before, we are changing things up just a bit to offer more performance opportunities. The Musical Theatre classes are now broken into two semester sessions. They meet on Saturday mornings as they have in the past, but the time has been extended to a 2-hour class with a performance opportunity at the end of each semester (instead of just one show in May.) **This December, the Musical Theatre Academy will present *Annie, KIDS!*** under the instruction of John Carroll's Fall show choreographer, Rachel Miller (from the John Carroll class of 2019). This is a FUN show with many roles to showcase your child's talent!! Dear St. Joan of Arc Families,

August 2023

On behalf of the St. Joan of Arc School Board, we would like to warmly welcome you to the 2023/2024 school year! We hope that you had a blessed summer and wish you a safe and fulfilling school year. The School Board is excited for the upcoming academic year and the amazing opportunities that it has in store.

As the Chairperson of the Board, and a prior school parent, I assure you that I remember well the myriad of emotions running through you and your household at this time. Among these emotions for me and my five children were: excitement, apprehension, a desire to get back into more concrete routines (at least for me!), yet the struggle to **return** to those routines; earlier bed times/wake up times, and making sure that the uniforms/shoes/supplies were ready to roll!

Please be assured that the SJA School Board is here to support the school, students, parents, principal, administration and faculty in any way that we can. The School Board's primary objective is to support St. Joan of Arc School's Vision & Mission:

Vision Statement

St. Joan of Arc Catholic School creates a vibrant 21st Century learning environment that infuses Catholic identity into every aspect of a curriculum focused on Science, Technology, Engineering, and Math (STEM).

Mission Statement

St. Joan of Arc Catholic School is a faith community of educators, learners, and families using God's gifts to develop 21st Century skills of innovation, collaboration, problem-solving, and reasoning to enrich the global society.

In addition to supporting the above Vision & Mission the School Board also monitors the schools finances, operations and strategic plan objectives throughout the year in accordance with the standards set forth by the Archdiocese of Baltimore. The Board welcomes parent feedback, comments and suggestions so please feel free to reach out to us. At the School Board's last meeting, a primary agenda item was that the Board be more visible and accessible throughout the school year. As a Board, we look forward to meeting you!

I for one, chose St. Joan of Arc for its commitment to providing a Catholic education steeped in developing its student's faith journey and character development along with its academic excellence. Our SJA School Board consists mostly of former parents who entrusted their children to St. Joan of Arc and believe in the school.

The St. Joan of Arc School Board has great confidence in your Principal Dianne Kestler, and together with her, the schools' administrative team and faculty we look forward to another great year!

God bless,

Stasia Marie Lozinak

STANDARD RESPONSE PROTOCOL

INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

HOLD

"In Your Classroom or Area"

Students are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

Adults and staff are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

SECURE

"Get Inside. Lock outside doors"

Students are trained to:

- Return to inside of building
- Do business as usual

Adults and staff are trained to:

- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

LOCKDOWN

"Locks, Lights, Out of Sight"

Students are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

Adults and staff are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

EVACUATE

"To a Location"

Students are trained to:

- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

Adults and staff are trained to:

- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults
- Report injuries or problems using Red Card/Green Card method.

SHELTER

"State Hazard and Safety Strategy"

Hazards might include:

- Tornado
- Hazmat
- Earthquake
- Tsunami

Safety Strategies might include:

- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

Students are trained in:

- Appropriate Hazards and Safety Strategies

Adults and staff are trained in:

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults
- Report injuries or problems using Red Card/Green Card method.
