

# St. Joan of Arc School

November 22, 2023

Dear SJA Families,

Yesterday was such a wonderful day at SJA. We were so happy to welcome 165 grandparents and special friends to our campus. Led by our SJA voices, we began our day with joyful music and prayers. Our visitors joined the students in the classrooms for lessons, snacks and a game of BINGO. Proof of a successful day was all the learning, smiles, and laughter.

The faculty and staff at SJA are participating in the Holiday Giving Program at Harford Family House. We are "adopting" three large families totaling 15 persons. If you are able, we would love to have help from our school families.

If you are interested in assisting with this program, please send in *gift cards* in any amount to a place of your choice. Please place them in an envelope marked "**Holiday Giving**" and send them to the office no later than December 11. We will either purchase items from their wish lists or we will give the family the gift cards.

Thank you very much for your assistance with helping the families at Harford Family House.

The faculty and staff of St. Joan of Arc school wants to wish everyone a joyful, healthy and safe Thanksgiving Holiday!

God Bless,  
Ms. Dianne Kestler  
Principal

St. Joan of Arc, along with the other schools throughout the Archdiocese of Baltimore have adopted and will be utilizing the Standard Response Protocol throughout our campus this school year. The administration, teachers and staff have been trained in this protocol and have been teaching this to our students upon their return to school. Attached is information about the SRP.

#### *The Giving Tree*

The holidays are full of good cheer and family traditions, but not for everyone. Since 1985, "The Giving Tree" has been a way for St. Joan of Arc parishioners to bring joy and real help to local families who are struggling. It originally began with the Stout family, who provided six needy families with baskets of food. Since then, the project has evolved many times, and is now carried out in partnership with Catholic Charity's Early Head Start Program as well as directly helping other Aberdeen families in need. # STANDARD RESPONSE PROTOCOL

## INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

## COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

## HOLD

**"In Your Classroom or Area"**

**Students** are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

**Adults and staff** are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

## SECURE

**"Get Inside. Lock outside doors"**

**Students** are trained to:

- Return to inside of building
- Do business as usual

**Adults and staff** are trained to:

- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

## LOCKDOWN

**"Locks, Lights, Out of Sight"**

**Students** are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

**Adults and staff** are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

## EVACUATE

**"To a Location"**

**Students** are trained to:

- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

**Adults and staff** are trained to:

- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults
- Report injuries or problems using Red Card/Green Card method.

## SHELTER

**"State Hazard and Safety Strategy"**

**Hazards** might include:

- Tornado
- Hazmat
- Earthquake
- Tsunami

**Safety Strategies** might include:

- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

**Students** are trained in:

- Appropriate Hazards and Safety Strategies

**Adults and staff** are trained in:

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults
- Report injuries or problems using Red Card/Green Card method.
