Nurse's Note

It is that time of year! We are currently having a large amount of ill students. Their symptoms vary from fevers, headaches, sore throats, cough, stomach aches to Covid and Flu.

We are asking if your student complains of any of these things, please keep them home and evaluate them for at least 24 hours. Please DO NOT medicate them and send them to school. We need to try to keep our students, faculty and staff healthy! If we work together, we can do these!!

If you have any questions, please feel free to email me: sbaer@stjoanarc.org.

Neighborhood Forest

giving trees to children

Dear Parent or Guardian,

This spring, we are thrilled to announce our participation in [Neighborhood Forest's](#) 15th Annual Free Tree Program as part of our Earth Week celebrations from April 22nd to 26th!

Since 2010, Neighborhood Forest has engaged over 1,500 institutions, reached over 500,000 families and planted over 130,000 (mostly urban and residential) trees through the hands of children and parents across North America.

We are excited to be participating in this wonderful program that teaches youth about the importance of environmental stewardship through the magic and wonder of planting and watching trees grow.

Please fill out the following online registration form by March 15th and receive a free tree (6-12 inches in size) during Earth Week (April 22-26). The tree species will be announced in early April. Neighborhood Forest aims to provide native trees in all regions they serve.

Register to receive a free tree for Earth Day to plant with your child:
<https://www.neighborhoodforest.org/parent-registration/?school=26462>

You will also have the option to donate and/or purchase additional trees and tree-related educational products (via the registration form). Please note this is optional and any purchases/donations will help fund more free trees for kids in the program.

Other products that are purchased by you will be fulfilled by Neighborhood Forest.

Instructions on planting and caring for the trees, along with species details, will be emailed a few days before the tree delivery and will also be accessible online.

Thank you for your support and participation. For more information about this program, please visit www.neighborhoodforest.org or www.facebook.com/neighborhoodforest.

Warmly regards,
Mrs. Stephanie Cosgrove
