

St. Joan of Arc School

February 28, 2024

Dear SJA Families,

February 28, 2024 by midnight is the last opportunity to apply for Grant & Aid for the 2024 -2025 school year. There are no exceptions, if you have questions, contact Pam Franke at pfranke@stjoanarc.org.

Tomorrow is Leap Day! We are challenging our students to do something meaningful in service to others. Take a photo of your student doing service and send it to emaid@stjoanarc.org.

In last week’s newsletter we shared that on **March 10** Archbishop Lori will visit to dedicate and bless our new Chapel and Parish Life Center. Parents and students are invited to the Parish Life Center for the blessing followed by Liturgy. Students are asked to be in their formal school uniform for the dedication. Students and parents need to arrive at 9:30am. Please park in the school lot and enter through the main entrance – (same entrance as the students enter in the mornings.) We will gather in the new gym for a blessing by Archbishop Lori. After the blessing students and their parents may move to the Church for the 11:15am liturgy. A reception in the Church Hall will follow the Liturgy. Families may also tour the Chapel and Parish Life Center until 2:00pm.

We believe the problem with the SWIFT K notification system has been fixed. We will send out a test notification on February 29 at 10:30am. Please contact the office if you do not receive the email or text message.

We have been asked by the Aberdeen Police department not to double park on Law Street or Plater Street during our pick up or drop off times. Those not following these laws may possibly receive a citation. Information about pick up and drop off procedures can be found in the Handbook on page 15.

Deadline to re-register is **March 1, 2024** for the 24 -25 School Year. Click [here](#) to register. If you have any questions or concerns, please contact Elisa Maid.

See attached letter for tuition rates and information for the 2024 -2025 school year.

God Bless,

Ms. Dianne Kestler
Principal

Neighborhood Forest

giving trees to children

Dear Parent or Guardian,

This spring, we are thrilled to announce our participation in [Neighborhood Forest's](#) 15th Annual Free Tree Program as part of our Earth Week celebrations from April 22nd to 26th!

Since 2010, Neighborhood Forest has engaged over 1,500 institutions, reached over 500,000 families and planted over 130,000 (mostly urban and residential) trees through the hands of children and parents across North America.

We are excited to be participating in this wonderful program that teaches youth about the importance of environmental stewardship through the magic and wonder of planting and watching trees grow.

Please fill out the following online registration form by March 15th and receive a free tree (6-12 inches in size) during Earth Week (April 22-26). The tree species will be announced in early April. Neighborhood Forest aims to provide native trees in all regions they serve.

Register to receive a free tree for Earth Day to plant with your child:
<https://www.neighborhoodforest.org/parent-registration/?school=26462>

You will also have the option to donate and/or purchase additional trees and tree-related educational products (via the registration form). Please note this is optional and any purchases/donations will help fund more free trees for kids in the program.

Other products that are purchased by you will be fulfilled by Neighborhood Forest.

Instructions on planting and caring for the trees, along with species details, will be emailed a few days before the tree delivery and will also be accessible online.

Thank you for your support and participation. For more information about this program, please visit www.neighborhoodforest.org or www.facebook.com/neighborhoodforest.

Warmly regards,
Mrs. Stephanie Cosgrove
