

## St Joan of Arc School Parents, Family and Friends,

Ready for a different way to fundraise? A way which can seamlessly fit into how you already live your life? We are excited to re-introduce RaiseRight! RaiseRight is a gift card fundraiser, where participants buy a gift card at face value through RaiseRight. Those brands donate a percentage back from each card to the school. Recently they have expanded to include "Shop Online".

RaiseRight works by you buying a gift card from one of over 750+ brands: clothings, groceries, dining out - and so many more to choose from. The brands automatically give a percentage of each gift cards directly back to SJA. The best part, **HALF of your earnings can be applied to next years tuition.**
