

COMPLETE this SUMMER WORK and PREPARE FOR 4TH GRADE!

1. Summer Reading:

- Read 10 books and write them on the **Summer Book Log** attached or you may participate in the Harford County Public Library Summer Reading Program and use their form to list your books. If you use the HCPL Summer Reading Program book form, please make a copy and attach it to the Summer Work Packet for credit. Please note The Lemonade War counts as one of the ten books.
- Read [“The Lemonade War” by Jacqueline Davies](#) and fill out the attached worksheet.

2. Summer Math:

- **Please complete the IXL skills that are listed for each week.** These are skills that were covered over the course of the school year and will be skills that are built on in the 4th grade.

3. EXTRA (but very helpful)

❖ Writing:

- Writing is heavily stressed in 4th grade. I encourage your child to continue to write over the summer, whether it is through journaling, diary entries, or sending letters/postcards to friends or family about their summer adventures.

❖ Computer practice suggestions:

- ABCya.com-Typing skills, Math skills, ELA skills

Due Date: The summer work packet is due the first day of 4th grade. This will be counted as your child's first grade.

Hope you have a wonderful summer!

Blessings-Mrs. Beyea
